#### Courtyard by Marriott Pre-Game Tailgate Party

A 12-foot AstroTurf wall marked the entryway to the hotel brand's event at the Contemporary Art Center of New Orleans. Created by Stefan Beese of Re:Be Design, the concept carried into the rest of the space where the faux grass was used on a bar, on the stage, as well as underfoot in the seating areas. A grass timeline commemorated 30 years of Courtyard history.
